Norwood Senior High School

Norwood, Massachusetts

Volume 71

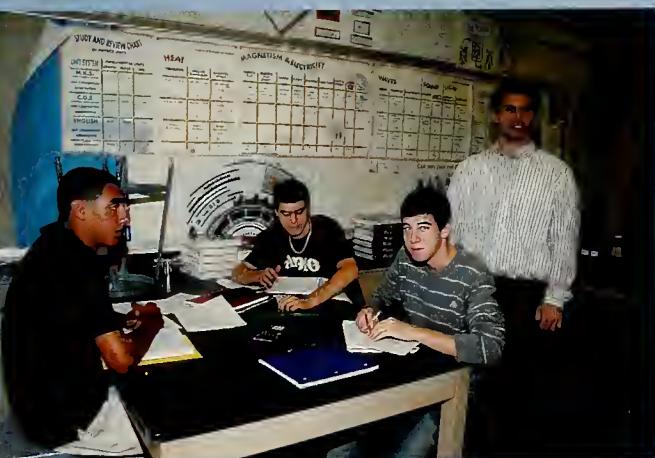

NORWOOD HIGH SCHOOL LIBRARY  
245 Nichols Street  
Norwood, MA 02062

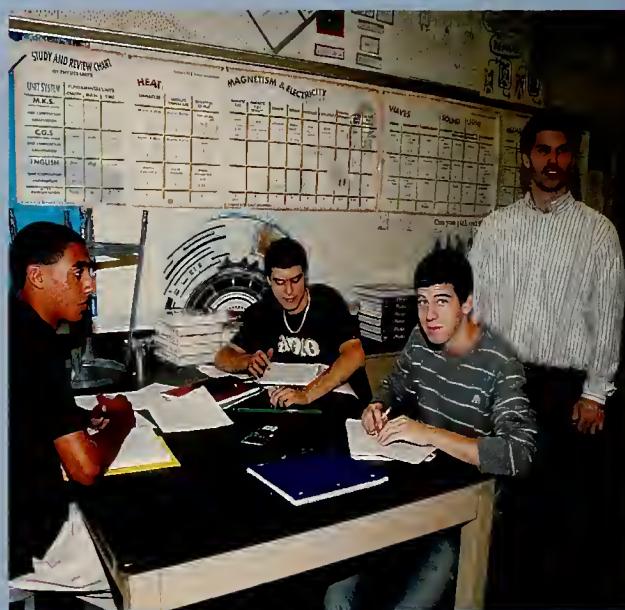

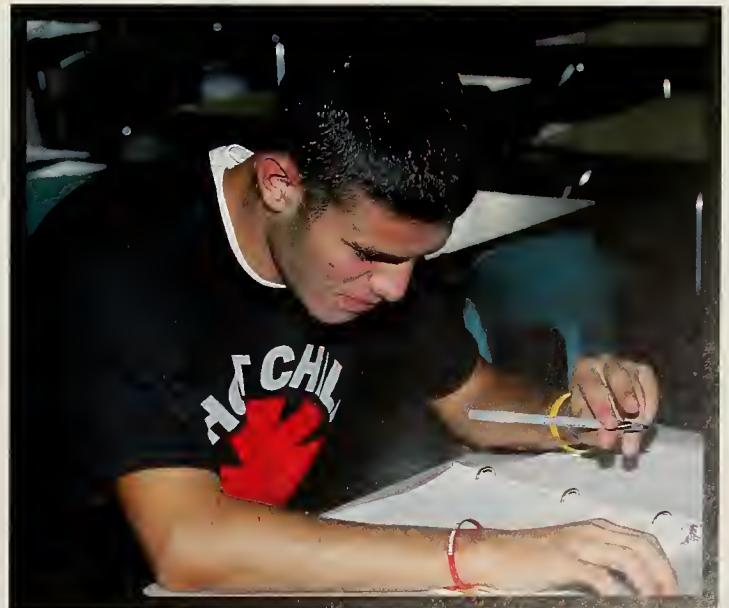

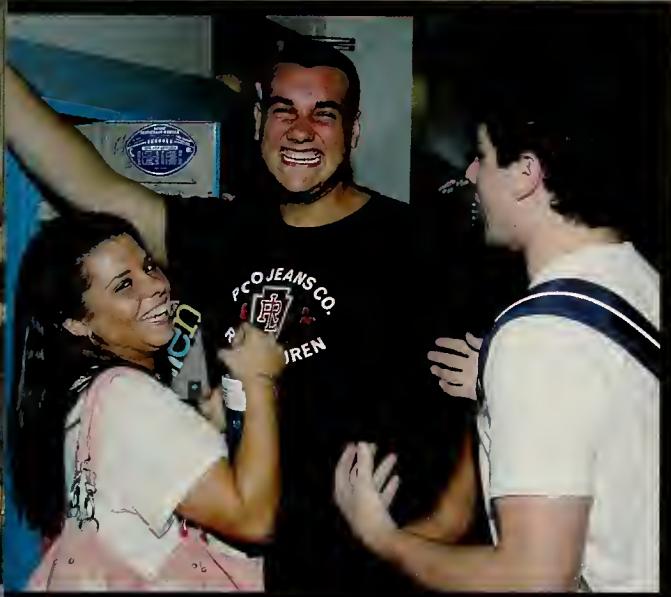

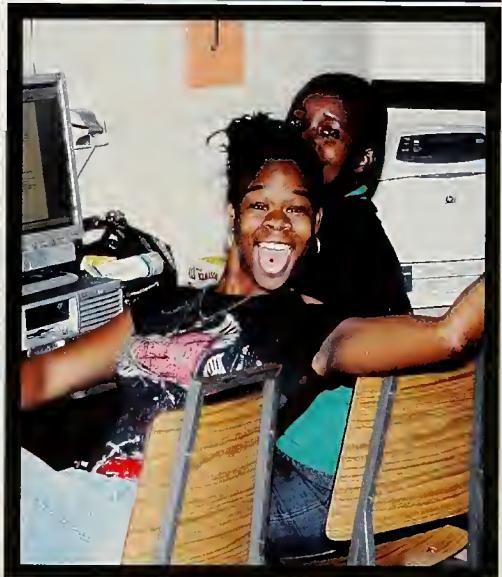

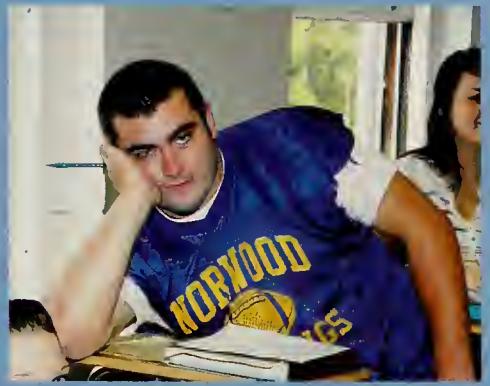

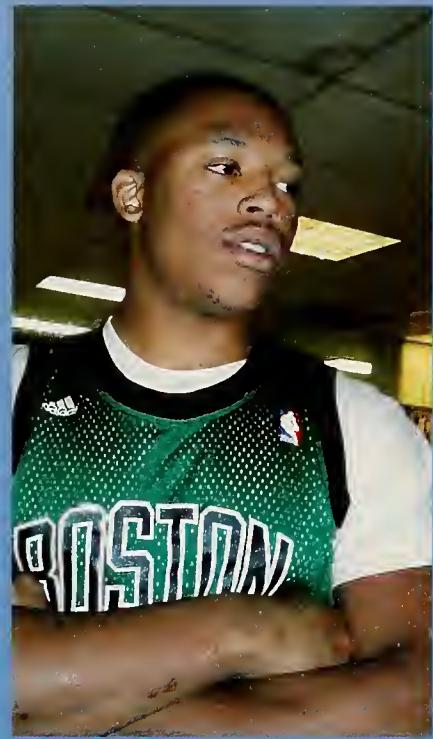

I hope the days come easy  
And each road leads you  
And if you're faced with a  
I hope you choose the one

and the moments pass slow,  
to where you want to go  
choice and you have to choose  
that means the most to you

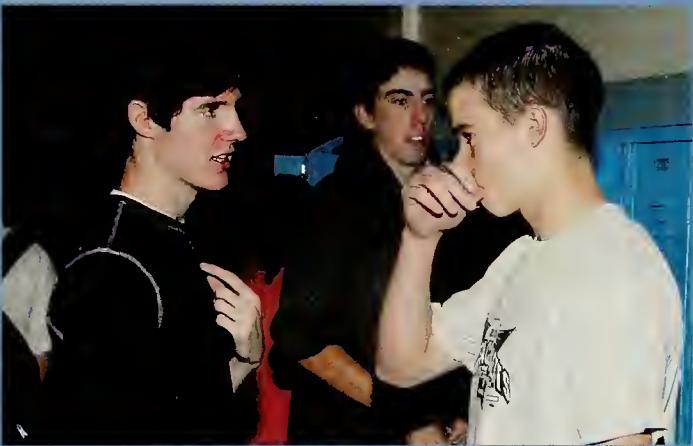

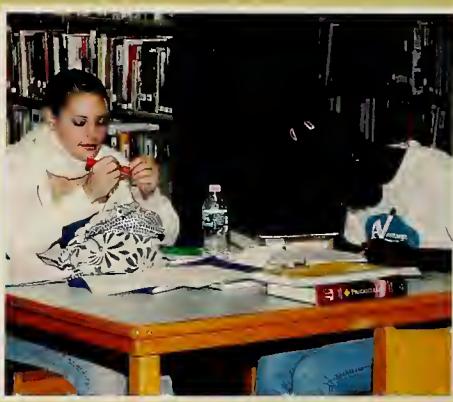

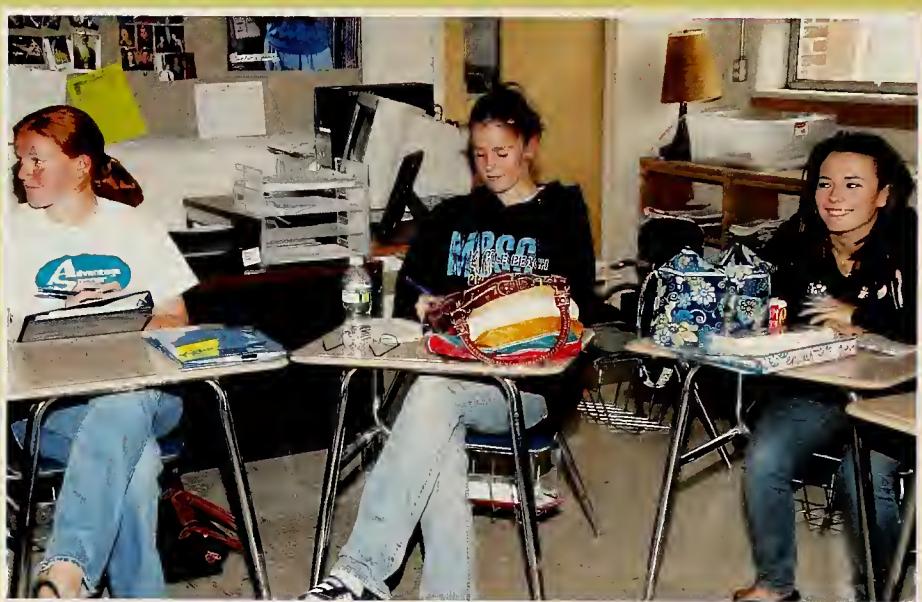

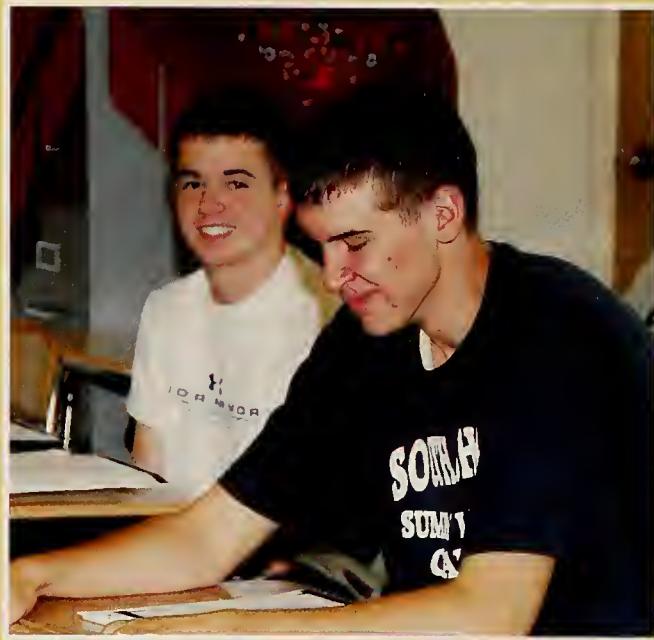

And if one door opens  
I hope you keep on walkin'  
If it's cold outside, show the

to another door closed,  
till you find the window,  
world the warmth of your smile

# DEDICATION

Paula Pelaggi has been the cornerstone in activities and student life of Norwood High School for thirty-three years. She earned her degree from Framingham State College in 1974 and was hired in the Foreign Language department of NHS in 1975. Her first involvement in the school on the hill was the Spanish Club with Ms. Riviera. Ms. Pelaggi has been an avid component in many after-school activities and clubs such as SADD, Spirit Club, National Spanish Honor Society, Powder Puff, Student of the Month Committee, and Post Prom Committee. Outside of school, Ms. Pelaggi teaches many of her students in her dance classes at the Civic Center. One might ask, "how can one person do so much?" Ms. Pelaggi's response: "You only have one life, and you need to give back with your heart and share the light."

# You Know You're From Norwood When...

You're born with a hatred for Walpole.

You are in the Book of World Records for most people getting married and moving back to their home town.

You eat at Conrad's religiously.

You go to the Norwood-Dedham Thanksgiving game every year.

You have volunteered at a Car Wash in the parking lot of Lenox Street.

You, your parents, and your grandparents all had the same teacher.

You have a mustang sticker on your car.

You go to Ice Jacks every night in the summer.

Norwood Day is actually a holiday.

Everything in town is "a five minute walk."

You've had Boston Magazine's best "chicken salad sandwich" at D & G.

Your school had a bomb threat and your first thought was breakfast.

There hasn't been a night football game at home in years.

You've been to Day Street for all your Norwood gear.

You've had an argument on whether a gorilla or a grizzly bear would win in a fight.

You know from experience where every speed trap in town is.

You can tell somebody how to get to any point in town strictly using landmarks.

You still refer the Shaw's as Star Market even though the name was changed years ago.

You know that hopping the train tracks behind McDonalds is a ten times quicker way to get to Blockbuster than walking under the bridge.

You skipped school to go and see the Red Sox, Patriots and Celtics parades.

# National Honor Society

Trinity College President:  
Matt Davenport

Vice President:  
Brian Williams

Treasurer:  
Isabelle Jones

Secretary:  
Dan Sudman

The purpose of the Norwood High School chapter of the National Honor Society is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character. Members must meet rigorous academic requirements. These include being on the honor roll five consecutive terms, three of them first honors or better. In addition, one must have a cumulative average of 85%. There are also high standards for leadership, character, and service. Membership in the National Honor Society has become recognized nationally as one of the highest honors that can be bestowed on a high school student. New members are inducted several times a year.

## National Spanish Honor Society

The National Spanish Honor Society is a national organization sponsored by the American Association of Teachers of Spanish and Portuguese. The purpose is to recognize high student achievement in Spanish and Portuguese and to promote a continuity of interest in Hispanic studies. Locally, the organization helps to run all the school-wide activities to celebrate national foreign language week each march. Globally, they are working with the Lindos Sueños program, sponsored by the Red Sox. During the year they collect books, clothes, and baseball equipment for orphanages in the Dominican Republic.

The National Latin Honor Society is made up of students who excelled in the classics, academically, and who have completed their third year of study. Students often meet and discuss their appreciation for the language, culture, and history of ancient Rome, as well as new developments in the pursuits of archaeology, translation, and interpretation of classic works.

## National French Honor Society

The National French Honor Society inducts students who have attained an A average in French class. They also must attain a B or higher in the rest of their academic subjects. This year they have organized the activities to celebrate National French Week and also help with administrative tasks for the proposed trip to Montreal in the spring.

## National Art Honor Society

The National Art Honor Society recognizes the academic and artistic achievements of Norwood High School's visual arts students. The group's goal is to enrich the artistic community in Norwood through monthly meetings and activities. Membership is based on grades in art and all other major subjects as well as their commitment to creating a positive atmosphere within the classroom.

## Dungeons & Dragons

Dungeons & Dragons club is an organization for students who enjoy role playing games. Members use creative writing and artistic skills to create characters who then band together to solve problems posed by the game master. It is a social group for individuals who are fans of science fiction and fantasy to interact with each other while playing games filled with imagination and creativity.

## Gay/Straight Alliance

Gay/Straight Alliance (GSA) is a student-based club that helps reduce anti-gay violence, harassment, and discrimination by educating the entire school community. The group also gives students a safe place to discuss feelings and concerns about sexual orientation. GSA is an active group that promotes awareness by taking place in the National "Day of Silence" and has produced several Public Service Announcements for the NHS update.

## Senior Video

The senior video captures the last year in high school and also uses old video from NPA and Mr. Tolman to look back at younger years. The senior video compiles sports videos from senior year, skits, drama highlights and video "look backs" with music videos and "through the years" type montages. They also put all the senior pictures full screen scrolling to music. Each year the producers add their own creative portion.

## Friendship Club

The Friendship Club is distinctive to Norwood High. It consists of 120 students each year. Every other Thursday a "social hour" is held to provide students, who have varying degrees of special needs, an opportunity to socialize with their peers. At each "social hour" refreshments are served and games are played. The Friendship club sponsors the Faculty/Senior Volleyball and Basketball games. They also do activities such as karaoke hours, pizza parties, and a "Spring Fling".

## Student Council

Student Council runs the election for all class officers and student council officers. We meet twice a month to plan and execute various activities and fundraisers. Members attend football games and run a 50/50 raffle to benefit the senior scholarship fund. Some of our fundraisers include: can drive to the Norwood Food Pantry, collection of holiday gifts for the elderly, a coat drive, Mr. Man on the Hill, and another spring fundraiser that is determined by the council. Student Council is a great way for students to participate and benefit both their school, and also town community.

## M. V.P.

Mentors in Violence Prevention (MVP) is a program that motivates students to play a central role in solving problems that historically have been considered “women’s issues”: harassment, rape, battering, and sexual harassment. The mission on MVP is to raise awareness about the level of men’s violence against women, challenge the thinking of mainstream society, open dialogue between men and women, and inspire leadership by empowering people with concrete options to effect change. While our main focus is on a more local, community level, we are also trying to affect change on a global scale. The MVP program has been in place at Norwood High School for the past 7-8 years and currently has over 50 members and always looking for more.

## Post-Prom

SADD has become a peer leadership organization dedicated to preventing destructive decisions, particularly underage drinking, other drug use, impaired driving, and violence. The Norwood High School SADD chapter provides students with effective prevention and intervention tools to deal with these issues. As the most active SADD chapter in Norfolk County, the members participate in numerous positive activities throughout the year. Dozens of the students have been role models with the Norwood Police D.A.R.E program, the Norwood Recreation Department, church or other religious organizations, and the Norwood Community at large. Their motto is "Just Don't Do It."

## SADD

## Physics Club

The purpose of this club is to offer eager students an opportunity to learn about, explore, and discuss some of the more interesting topics that are not totally covered in the classroom. Their weekly meetings include discussions of current events in physics, video, presentations, and questions and answer sessions. Students are also encouraged to brainstorm new topics and projects for future meetings.

## Spirit Club

The Norwood High School Spirit Club is extremely involved in promoting school spirit and support to all major activities of the school. The objective is to bring spirit and positive reinforcement to athletics, arts, and activities. Through the efforts of this club, the homecoming fall sports rally dance, with homecoming king, queen and court was established. It promotes thirty spirit point events, organizes the hall decorating in the fall, and helps support American Red Cross and Globe Santa. The main scholarship is the Michelle M. Kennedy Memorial Scholarship Fund, in memory of that 1991 class member, who lost her life--but never her spirit--to leukemia in '94.

# Cheerleading

Captains: Liz Curran, Nikki Colton, and Amber Smith

Starting the season by going to camp at UMass Dartmouth for four days, the girls learned new dances, cheers and stunting techniques. Captains Nikki Colton, Amber Smith, and Lizzy Curran led our team with enthusiasm, strength, and kindness. Senior Kelly Mulvehill was the MVP and "First Team All-star", Senior Captain Nikki Colton was a "Second Team All-star". Junior Jess Finney was the "Unsung Hero" and Junior Meredith Kiy turned out to be the "Hardest Working" team member. Seniors Katie McDermott, a determined Flyer, and Kelsey Cathcart, a trusted Base, led the team with their immense experience. Amber Smith, Senior Captain, perhaps the best dancer on the team, wowed the crowd with her performances. And Senior Captain, Lizzy Curran, with her upbeat attitude and leadership instructed all the underclassmen with patience and kindness. The team competed in the Foxboro Invitational beating Milton for a first place trophy. At the Bay State Games the team performed a near perfect routine, but missed out on Regionals by .5 of a point. This was a very disappointing setback, however it has inspired the team to work even harder next year.

# Field Hockey

The 2008 Norwood Varsity Field hockey team was led by Captains Kim Clougher and Liz Greeley. It was a disappointing season for the team as they finished the season with a 5-9-4 record. They started the season off strong, but stumbled against Walpole in their first meeting of the season, and never seemed to get back on track. They had great wins against Milton, Brookline, Newton North, Braintree, and Framingham. They had many close and exiting games such as a 4-4 tie with Dedham, a 3-3 tie with Nantucket, and a 1-1 tie with Needham. Although they were not as successful as they would have liked this season, they worked hard each and every day. The team graduates 9 seniors: Michaela Burtman, Kim Clougher, Pam Devaney, Liz Greeley, Isabelle Jones, Katie Lang, Michelle Nolan, Kelsy Smith, and Kristen Walsh. Both Senior Captains Liz Greeley and Kim Clougher were voted 1st team Bay State League All-Stars, and Junior Gina Mancini was voted as 2nd team Bay State League All Star. The team wishes the seniors all the best and looks forward to a successful 2009 season.

# Swimming

The team was made up of an extraordinary group of girls. Each member of this varsity sport surpassed both individual and coaches' goals by improving her work ethic and setting higher standards. The team had some individual standouts but, more importantly, they came together as a team to have a winning season. One major goal was to narrow the gap between the fastest swimmers and the less experienced swimmers. That goal was accomplished quite successfully as the season progressed.

# Boys Soccer

The Norwood Boys Soccer Team steadily improved throughout the season. Having the youngest and most inexperienced team in the tough Bay State League, there were times early in the season that the team was overmatched. However, led by senior captains Chris Driscoll and Gio Bartucca, the team was able to compete against more experienced teams in the second half of the season. The final game saw the team beat Nantucket 2-1 at home. With eight starting underclassmen returning next year, the future of the team looks bright.

# Girls Soccer

The 2008 Girls Varsity Soccer team finished the regular season 12-6-2. The girls went on to win three games in the tournament for the first time in school history. Despite a valiant effort the team lost 2-1 while playing in the Division One Championship game. Three years ago the Varsity team did not win a single league game and this year they advanced to the South Championship game. The girls finished with a team-best of 15 wins and look forward to another terrific season next year.

# Girls Volleyball

The girls volleyball team ended a tough season this year, finishing at 1-15. The team was coached by Liz Morris, who also coaches the Lesley College girls volleyball team, and Tim Linehan. The team was led by senior captains Michelle McHugh and Casey McDaniel. This year's squad was loaded with seniors, including Heather O'Rourke, Kim Mansfield, Kate King, Carly Chubet, Lauren Gallo, Linda Feeney, Tamara Turner, Katherine Foley, and Berlyn Olibrice. Michelle McHugh dominated the court as an outside hitter with Casey McDaniel setting one of her best seasons. Heather O'Rourke improved tremendously this year, after a move from middle hitter to strong side hitter. Kim Mansfield improved in blocking and serving. Carly Chubet dominated on the court as a libero and a strong server. Despite their record, the team worked very well together and they are proud of all of the hard work and effort that they put in at their practices and games.

# Cross Country

This year Cross Country had a strong team and was led by five strong captains. The team members displayed their hard work and dedication at many meets. To prepare for the season the team members ran more than 300 miles during the summer. The boys were consistently led by Rob Stanton, Steve Curly, Billy Glynn, Terry Rose, and Rob Sheehan. The girls team was consistently led by Kat Wood, Jayne Galvin, and Katie Welter.

# Golf

After a disappointing 2-14 season last fall, the young golf team came into 2008 with big improvement and fire in their eyes. It didn't take long to improve last year's record. The team defeated Weymouth, Braintree, Framingham, and Natick twice to position themselves for a run at States. Even though hopes of a tournament birth were squashed by Division 2 runners-up Wellesley, the team definitely looks to come into next season with a lot of confidence and poise. The two senior captains, Charles King and Matt Walsh, will be missed. But the younger players know that there is enough talent and heart on the team to remain a force in the Bay State League going forward.

# Boys Basketball

The 2008-2009 season was certainly a roller-coaster ride and it ended in the same fashion. The team experienced many highs and lows but successes truly outweighed the negatives. They qualified for the tournament for the second straight year with an 11-9 record. The team won the first annual Rockland Eagles Holiday Tournament by defeating Plymouth South and Rockland over winter break. The team defeated Herget Champion Milton by 16 in the best game of the season. Chris Johnson recorded his 1,000 point during a thrilling double OT loss to Needham. He is only the fourth male to reach that milestone at Norwood High. They traveled to Whitman-Hanson to take on the Panthers in the state tournament, but foul trouble, cold shooting, and a freak injury all contributed to their eventual defeat. Chris Johnson led the team in scoring at 18.1 ppg to go along with 5.4 apg and 7.8 rpg. Matt Clifford anchored the front court with 13.8 ppg, 10.7 rpg and 2 bpg.

# Girls Basketball

Records don't always speak the truth of a season. The 08-09 seasons for the varsity girls was one of, "Just Misses", "First Times" and "Last Times." The girls were just a basket away from winning many of their games during the season. With the guide of their captains Emily Dixon and Jennifer Canniff, the team's hard work and team work showed through in every game.

# Girls Indoor Track

Captains: Katie Bernazzani, Cara Cole, and Katie Gatto.

The Girls Indoor Track team did really well this season. Even though they did not win a meet, many people improved their skills. The Tri-Captains of Gatto, Cole, and Bernazzani led the team this year. This season was a great one for setting personal records. Katie Bernazzani and Meghan Underhill went very far in their hurdling careers. The girls tried hard this year and were very determined.

# Boys Indoor Track

Captains: John Muller, Stephan Bottex,  
David Girvan

The Boys Indoor Track team started the season off right winning against Dedham. The Tri-Captains of Muller, Bottex, and Grivan strongly led the team. Even though the season wasn't as successful as Coach Forrest wanted it to be, many personal records were set. They had a strong team this year, especially with the help of Phil Kiy, who was the number one boy's thrower in the Bay State League. With many new faces to indoor track, the future looks bright.

# Gymnastics

Captains: Casey McDaniel, Jayme Igoe and Kathleen Maroun

The Girls gymnastics team, despite having a 3 and 6 record, had a competitive season with several highlights. Led by team captains Jayme Igoe, Kathleen Maroun and Casey McDaniel, the team set a school record for team points with 124.7 against Needham. They also had several winners at the Bay State League meet with Kellianne Symes and Manar Zaki placing fifth on the vault and uneven bars, and Kathleen Maroun taking sixth on the balance beam. Next years seniors wish the team the best of luck.

# Wrestling

Captains Evan Zablocki, Mike Regan and Tom Julian

Graduating only two seniors last year, the team finished with a record of 6-14-1. This year's returning team had something to prove. They finished with a 12-11 record overall and 4-7 in the league, doubling their wins from last year. Senior captain Tom Julian finished the regular season with an impressive 24-3 record. Returning next year with all but three wrestlers, the Mustangs look forward to another successful season.

# Girls Hockey

The Mustang Girl's Hockey team ended the 2008-2009 season with a 5-14-1 record. The Mustangs showed great improvement from last season and were led by Captains Sabrina Roy and Colleen Carroll as well as Bay State League All-Stars Ali Maloof, Lisa Coskren, and Taylor Donners. The highlight of the season was when the Mustangs came within one goal of beating 7th ranked Wellesley twice. Kate Allan arose and stepped up to play goalie in the middle of a game and shocked many with her impressive performance. With Allan in net, the Mustangs had many close games and while only produced 5 wins, were highly competitive in each. Although the team did not qualify for the tournament, the record shows tremendous improvement from last season.

# Boys Hockey

Led by nine senior players, the Boys Hockey team finished off an impressive year with a record of 11-7-2. This record earned the team a state tournament bid along with second place in the competitive Herget division. Strong play from BSL All-Stars Mike Verrochi, Chris O'Brien, Steve Mahon, Stephen Colomey, and Cory Sennott fueled the success of the team, along with a strong contingent of underclassmen. Captain Cory Sennott was the backbone of the team in net this year, posting six shutouts. The team was able to produce big wins over Walpole, Duxbury and Framingham. The team lost a hard fought game in the state tournament, losing to Marshfield 2-0.

# Mrs. Evelyn Hardiman

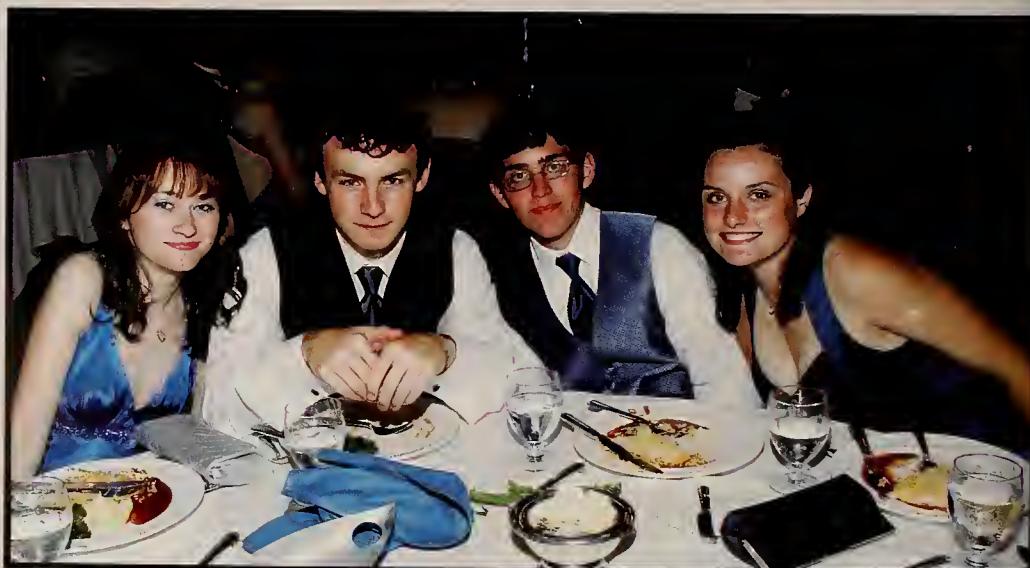

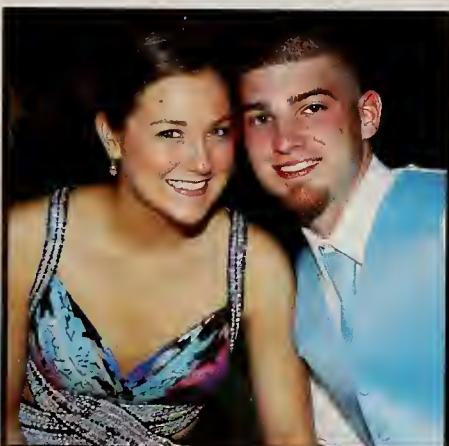

Evelyn Hardiman has been a faithful member of Norwood High School for more than 20 years. She left these words to the graduates upon her graduation from teacher to retiree:

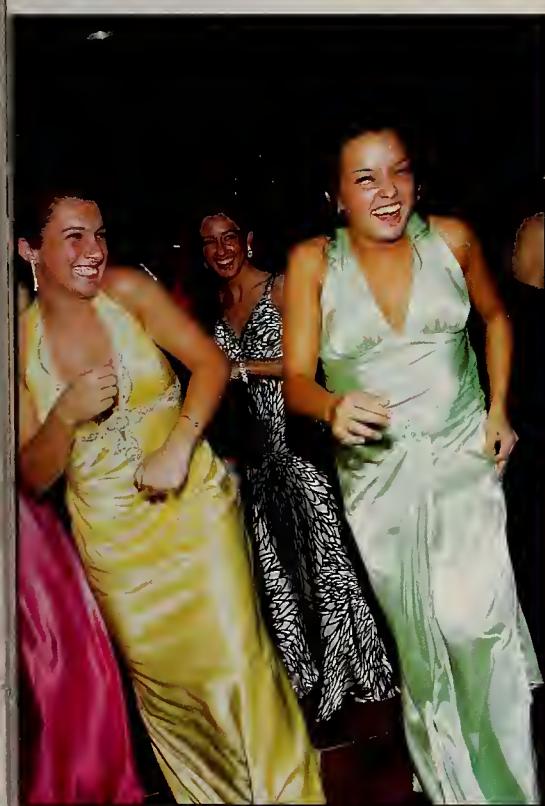

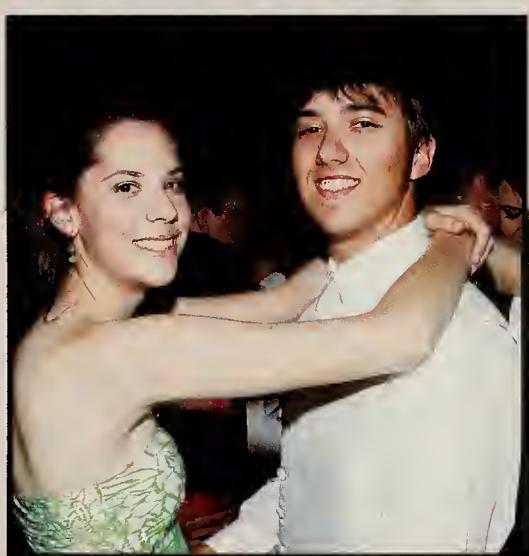

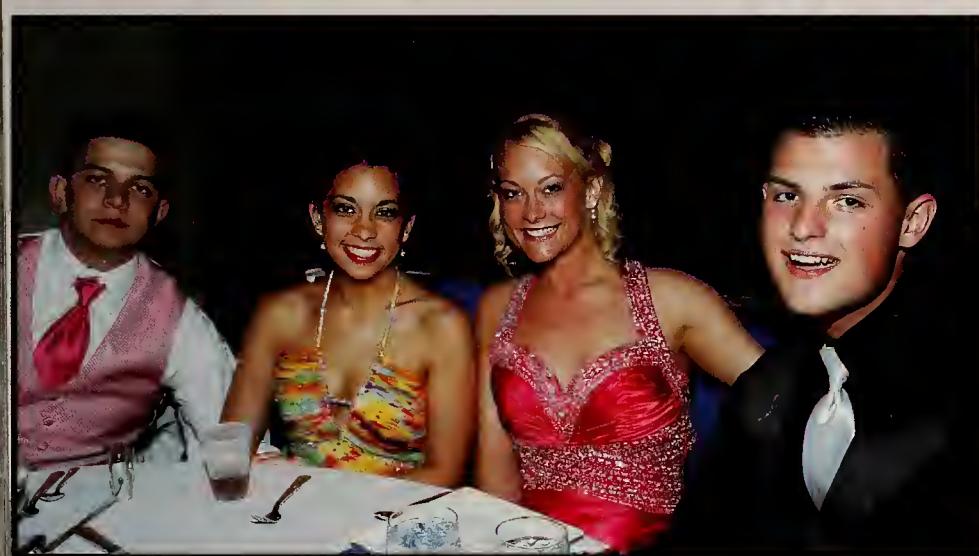

"Congratulations to the Class of 2009. If you think these four years passed quickly, just wait. When I look back, it seems like just yesterday that I was graduating from high school. Now, 47 years later, after college, almost 28 years of teaching in three different towns, nine years of being a Medical Technologist at Norwood Hospital, being a Mom to two great kids and now a grandmother of seven, I've decided that it is time to slow down and relax. The memories I have from working at Norwood High will always rank high in my mind. Some days were good, some challenging, and some disastrous, but isn't that what life is all about? Watching you all perform in the classroom and attending numerous plays, music programs and sporting events has filled me with pride to be a part of this great town. Norwood is special because of you. Remember, "You can't be the best at everything. You can't even be good at everything." The important thing is to try and don't ever quit. It took me more than 40 years to reach one of my goals. I have always loved basketball and dreamed of scoring a basket during a game. I did play in high school but I played defense and in those days, girls played half court and defense players didn't shoot baskets. Then it happened! Where? At Norwood High during the Student-Faculty Basketball Game. It was an outside shot and SWISH, my dream came true. I wish you the best as you step into adulthood. Work hard and remember: should you fall, you have two choices: stay there or get up. ALRIGHT. (I had to say it one more time.)"

# Girls Lacrosse

The girls were back in town ready and fit for another run at the tournament. The season led by seniors Amanda Murray(defensive MVP), Carly Chubet (Unsung Hero), Samantha Vilaboa (Midfield MVP), Cara Cole (Coaches Award), Elizabeth Greeley (Team MVP), Pamela Devaney (Captain Award), and Isabelle Jones (Student-Athlete Award) was a huge success. For the third straight season the girls won the MIAA Gold Medal Academic Excellence Award and for the third straight season made it to the Quarter Finals of the Division 1 South Tournament. Senior captains Elizabeth Greeley, Pamela Devaney, and Isabelle Jones were instrumental in the direction of the team as they and Amanda Murray started every game for all four years. The team set multiple records including goals in the tournament, season, and game. Junior Katie Welter (Offensive MVP) set a school record with 103 points in a season. Along with Welter, Katherine Millin (Sportmanship Award), Stephanie Fogg, Sam Vilaboa, and Liz Greeley all scored more than 44 goals. The powerful offense along with a stingy defense saw only 4 games out of 22 where they scored fewer than 10 goals. The end result was a school record of 15 wins. This led the team to their highest seed in the tournament. It was the program's 7th tournament in the past eight years. The end of the season marked the end of Coach Fam's tenure. He leaves the program with 117 wins and a bright future for NHS LACROSSE.

## Boys Volleyball

The boys' varsity volleyball team finished the season with an 8-10 record (4-10 league). The offensive attack was led by Michael Gearty, 1st team All-star and MVP, and Sean Porter, 2nd team All-star, who led the team in kills. Chris Driscoll, 2nd team All-star, had an outstanding season at the setter position, and unsung hero Mina Awad's all around play helped the Mustang's throughout the season. Big wins over Needham, Framingham, and Weymouth placed the boys on the brink of the postseason. In the final game of the year, the boys fell short in a hard-fought game against state power Natick.

# Boys Tennis

Seniors Andrew Costigan, Daniel Weaver and Theo Tran

At the beginning of the season the team set two main goals: give 100% effort no matter the score and break the string of two winless seasons. The team met their goals. They beat Weymouth 1-4 and all the individual wins that day were in straight sets. The team's only loss in Weymouth was a grueling 3-hour long, 3-set match in 85 degree heat. The team ended up with 10 individual wins. Senior co-captains Dan Weaver and Theo Tran were an invaluable part of the team. The team sends best wishes to the captains and senior Andrew Costigan.

# Boys Track

The highlight of the Boys Track and Field teams' season was their win against Dedham in what was the last meet to be held on the current track. The Most Improved Athlete was "Revin" Evan Sinclair and Unsung Heroes where "Running" Rob Stanton and Rob "Shifty" Sheehan. The team was lead by Senior Captains "Running" Rob Stanton, Matt "the valedictorian" Davenport, and "Hurdling" Dave Girvan. Outstanding individual performances were turned in by Matt Davenport Rob Sheehan and Phil Kiy as they all qualified for the Division II championships. Phil was Bay State League Champion in the Shot Put and later placed third in Division II, fourth in the State and eighth in New England. Phil's best throw of 53'7 inches is the third best throw in school history! The coaches would like to congratulate all of the Seniors.
